Address

74 Jalan Cendrawasih 2/3, Bandar Enstek, Nilai, Negeri Sembilan

Education

2022 - Now

Diploma of Computer Science

Universiti Teknikal Malaysia Melaka

Additional

Ability to work under pressure

Creative Thinking

Ability to Multitask

Computer Skills

OBJECTIVE

As a passionate computer science student, I am on the lookout for an exciting internship opportunity where I can test my programming skills and gain more industry experience.

EDUCATION

Diploma of Computer Science

Universiti Teknikal Malaysia Melaka

Current GPA: 2.5

Current CGPA: 2.7

Relevant Coursework: Software engineering, Network Security, User interface design, Multimedia Systems, Databases and Computer Networking

SKILLS & KNOWLEDGE

Design: Experience in creating 3D animation modelling by using Blender

Programming Languages: Familiar with C++, Java and JavaScript

Web Development: Experience in building web pages by using HTML5, CSS, JavaScript

Soft Skills

Communication: Capable of describing and explaining ideas to the team

Time Management: Ability to manage multiple tasks and meet deadlines effectively.

Teamwork: Capable working with other people toward a common goal

EXPERIENCE

Learn To C++

"Learn To C++" is a secondary student workshop that was conducted by me and the team in 2023. Our main objective is to acknowledge students' awareness and develop an interest in a computer programming language which is C++. The workshop was supported and guided by our faculty in terms of the syllabus and learning content.
